

Entryway: Before + Concept

Entryway: Concept Details

Walls, molding, trim and doors all painted a clean white

3D cutout logo on navy back wall. Could backlight or apply a spotlight.

Add potted plants to bring in natural element

Vinyl plank flooring to evoke sand and outdoors

Paint the metal around the windows white for a more cohesive look*

Photo printed on canvas to fill the niche

Bench with tropical print cushion in brand colors

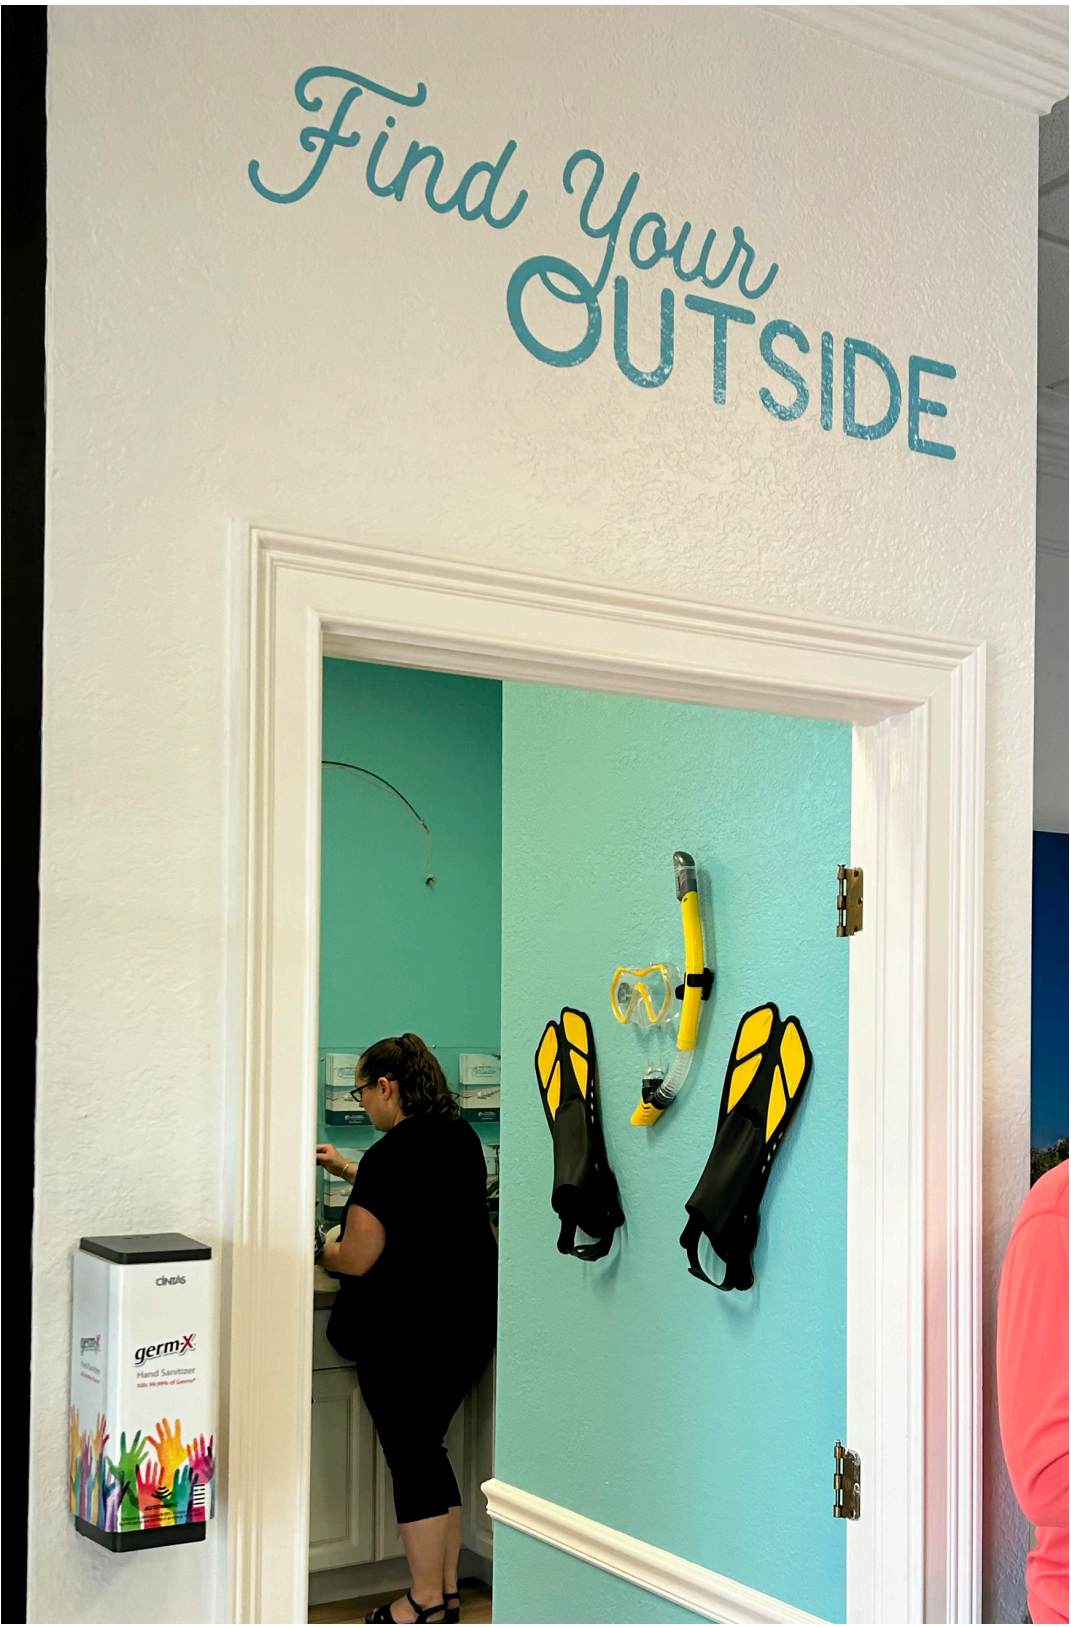

3D logo examples:

**Oil-based paint must be used.*

Entryway: Completed

Conference Room: Before + Concept

Conference Room: Concept Details

Remove ceiling fan

Possible second wall mural space. Or, could be photo print on canvas.

Bottom half of walls and molding painted clean white. Good space for a food and beverage table

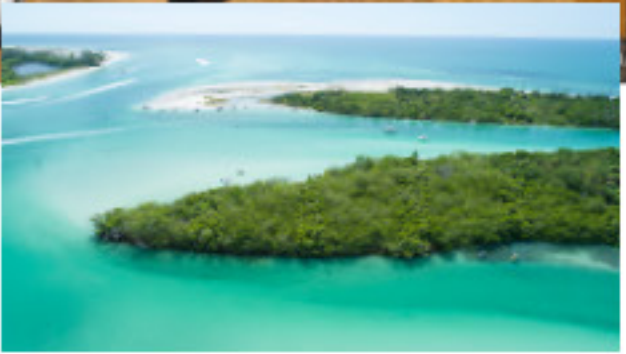

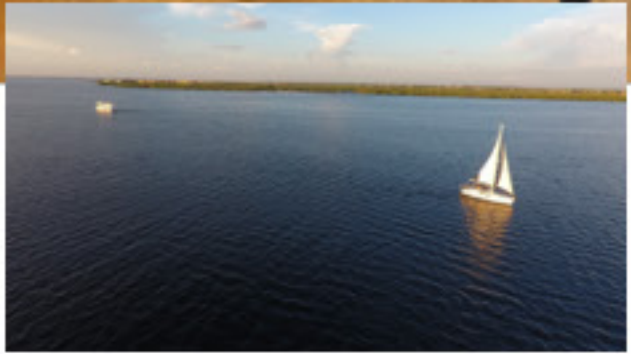

Vinyl plank flooring (not on diagonal)

Photo mural to fit inside molding. Photo options below.

Top of wall and molding painted brand teal.

New table and chairs idea. If keeping old table, pair with modern chairs. Aqua chairs are a nice option.
